

**Delta Dental PPO™ (Point-of-Service)  
Benefit Features for  
State of Michigan – State Retiree Dental Plan  
Group #8600 & #8601**

Delta Dental PPO (Point-of-Service) is administered by Delta Dental of Michigan. You can go to any licensed dentist, but you could increase your benefits and lower your out-of-pocket costs by going to a Delta Dental PPO dentist. If you do not go to a Delta Dental PPO dentist, you can choose dentists who participate in Delta Dental Premier®, our carefully managed fee-for-service program and still see savings. However, you might have to pay more. If you visit a dentist who does not participate in any of Delta Dental’s programs, you will be responsible for the difference between Delta Dental’s payment and the nonparticipating dentist’s fee, and you may need to file your own claims.
