

Do you need help finding a dentist for routine care or specialty services? Delta Dental has care coordinators who are specially trained to help caregivers break down barriers to care, including those related to physical and mental health disabilities.

Call our team at 866-696-7441. They can help find a dentist for your child, including children in foster care or those with health issues.

Early intervention and prevention is important for better oral and overall health. Learn more about your health at [www.deltadentalmi.com/wellness](http://www.deltadentalmi.com/wellness).

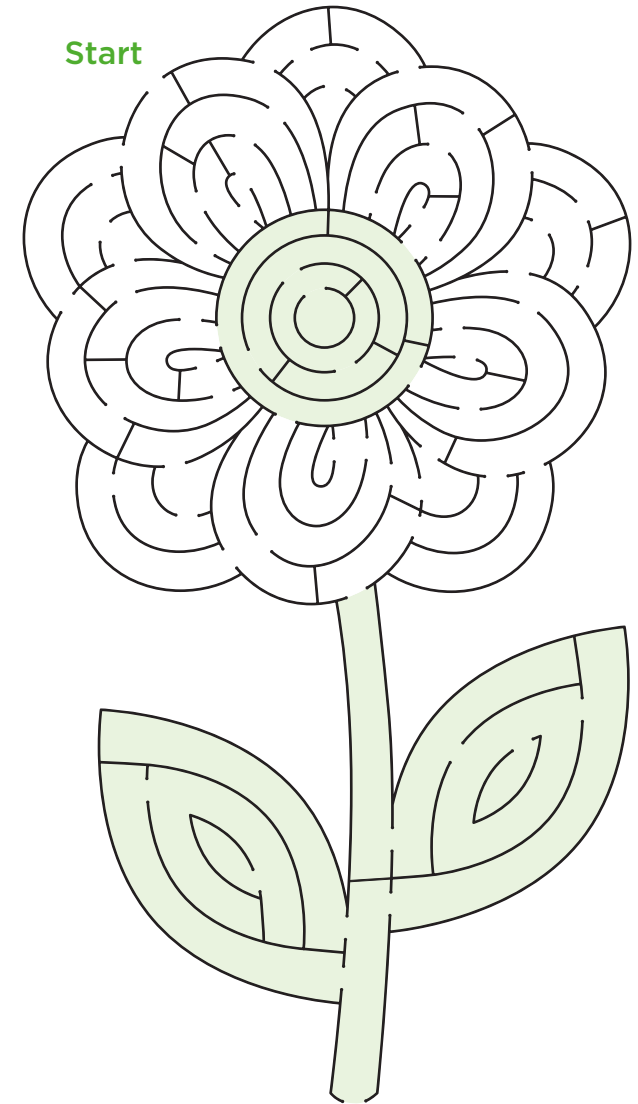

You can also find resources at [www.michigan.gov/mdhhs](http://www.michigan.gov/mdhhs).

Can you make it to the end?

Learn how oral health affects your overall health. Visit [www.deltadentalmi.com/wellness](http://www.deltadentalmi.com/wellness).

With just  
one click!

Visit our Healthy Kids Dental page to find educational information, activities, and more resources for your child. Use the QR Code or go to [www.deltadentalmi.com/HKD](http://www.deltadentalmi.com/HKD).

**Notice:** Delta Dental takes your privacy very seriously. You can find our HIPAA Notice of Privacy Practices at [www.deltadentalmi.com](http://www.deltadentalmi.com) (click the HIPAA policy link from the homepage). Or call 866-696-7441 to request a copy.

## Choose an HKD dentist

To receive services at no cost to you, your child must see a Delta Dental HKD dentist. Find a dentist near you at [www.deltadentalmi.com/HKD](http://www.deltadentalmi.com/HKD). You may switch to another Delta Dental HKD dentist at any time. If you see a dentist who doesn't accept Delta Dental HKD, you may have to pay for services. If you're changing dental plans, and have been diagnosed with or are being treated for a serious dental condition, **call Delta Dental at 866-696-7441 (TTY users call 711)**. We can help you receive continued care.

**In your language:** Get benefit help and information for you and/or your child in your language. Call our customer service team at 866-696-7441 (TTY users call 711) for help today.

# DID YOU KNOW

With Healthy Kids Dental benefits administered by Delta Dental, your children can receive dental services at no cost to you. This includes dental exams, cleanings, X-rays, fillings, fluoride treatments, sealants, and more.

Find the member handbook, certificate of coverage and more resources at [www.deltadentalmi.com/HKD](http://www.deltadentalmi.com/HKD).

**If your children have Medicaid and are under age 21, they have Health Kids Dental. Visit [www.healthykidsdental.org](http://www.healthykidsdental.org).**

Remember to update your contact information to requalify for Medicaid and Healthy Kids Dental benefits. To update your address, phone number and other contact information, visit [www.michigan.gov/mibridges](http://www.michigan.gov/mibridges).
