WELCOME!

Delta Dental Plan of Michigan, Inc. is a nonprofit dental care corporation, doing business as Delta Dental of Michigan. Delta Dental of Michigan is the state's dental benefits specialist. Good oral health is a vital part of good general health, and your State Preventive Dental Plan is designed to promote regular dental visits. We encourage you to take advantage of this program by calling your Dentist today for an appointment.

The benefits described in this booklet are provided under the self-funded State Preventive Dental Plan administered by Delta Dental Plan of Michigan, Inc. (Delta Dental) under the direction of the Michigan Civil Service Commission, Employee Benefits Division (MCSC, EBD). These benefits are not insured with Delta Dental, but will be payable from funds administered by MCSC, EBD.

MCSC, EBD is responsible for implementing State Preventive Dental Plan benefits and future changes in benefits. Delta Dental will provide certain services on behalf of MCSC, EBD through an administrative services only contract. Information concerning people enrolled under the State Preventive Dental Plan may be reviewed by Delta Dental of Michigan.

This document is not a contract. Rather, it is intended to be a summary description of benefits. Every effort has been made to ensure the accuracy of this benefit booklet. However, if statements in this booklet differ from applicable Delta Dental coverage documents, then the terms and conditions of those coverage documents will prevail.

The State Preventive Dental Plan is designed to encourage preventive dental care and assist you with the financial burden of dental bills. Please keep in mind that this Plan is not intended to cover the cost of all services. You should continue to discuss your dentist's charges with the dentist in advance of any treatment to determine your share of the cost.

Effective 1/1/2024

I. Eligibility Guidelines

Employees

You are eligible to enroll in the State Preventive Dental Plan on the first day of the biweekly payroll period following your enrollment, if you are:

- ◆ a Full-Time (FT) employee;
- ◆ a Part-Time (PT) or Job Sharing (JS) employee working 32 hours or more every biweekly pay period; or
- ◆ a Permanent Intermittent (PI) employee expected to work every biweekly pay period and at least 40 percent of full-time annually (a minimum of 832 hours).

A seasonal employee must have an appointment that lasts eight months or more a year.

Certain unclassified State employees are also eligible to enroll.

Your coverage is effective on the first day of the first pay period after you enroll.

An eligible employee who is not enrolled, but is covered by the enrollment of a spouse or parent, may enroll before or within 31 days after termination of the spouse's or parent's coverage. The effective date of coverage is the pay period begin date in which the coverage is lost.

Dependents

You may cover your legal spouse and eligible dependents in accordance with State of Michigan Dependent Eligibility Guidelines; visit www.mi.gov/docs4ebd for specific criteria. These dependents can include:

- ◆ children by birth, legal adoption, or step-children are eligible through the last day of the month in which they turn age 26.
- ◆ children the employee has legal guardianship of or foster care (placed in your home by a state agency or court) are eligible through the day before their 18th birthday, unless the placement expires prior to that date.

Dependents in the Armed Forces

No person will be considered a dependent while they are an active duty member of the armed forces of any country.

Incapacitated Children

If your enrolled dependent is an incapacitated child, your coverage for this child will continue beyond age 26 as long as (1) he or she continues to be incapacitated and (2) coverage does not terminate for any other reason. Your child will be considered incapacitated if he or she is unable to earn his or her own living because of a mental or physical impairment and he or she depends chiefly on you for support and maintenance. The disability must have occurred before the end of the month in which the dependent turns age 26. Contact the MI HR Service Center for additional information on the continuation of coverage. Proof that your child is incapacitated may be required periodically.

Dual Enrollment

No person may be covered as both an "employee" and "dependent", nor as a dependent child of more than one employee. If you and your spouse are both employed by the State of Michigan, dental coverage may be carried separately or as one enrollment with dependent coverage.

Your children may NOT be listed on both your and your spouse's (or your and your ex-spouse's) State Preventive Dental Plan if you maintain separate enrollments.

Should you or your spouse separate from State service, take a leave of absence, or become laid off, the departing employee may be enrolled as a dependent on the remaining employee's State Preventive Dental Plan providing the remaining employee:

- ◆ was covered as a dependent of the departing employee or was enrolled separately as an employee; and
- ◆ continues to meet the eligibility requirements.

Once you return to work, you must wait until the State's next Open Enrollment period

before you may transfer your coverage back into your own name.

Applying for Coverage

You may apply for dental care coverage when you meet State Preventive Dental Plan requirements for eligibility. You may enroll yourself and your eligible dependents within 31 days after your eligibility date by calling the MI-HR Service Center at 877-766-6447.

An eligible employee who is not enrolled but is covered by the enrollment of a spouse or parent may enroll within 31 days after termination of the spouse's or parent's coverage. The effective date of coverage is the pay period begin date in which the coverage is lost.

When your dependents are properly enrolled at the time you enroll, their State Preventive Dental Plan coverage is also effective the same day as yours.

If you do not enroll when newly hired, or if you do not enroll your eligible dependents at that time (or when newly acquired), you will be given other opportunities to enroll or add to your enrollment during Open Enrollment periods or in the event of a "family status change" (described in the Family Status Change section).

Family Status Change

Mid-year changes in your enrollment will be allowed during the Plan Year based on what the Internal Revenue Service (IRS) calls a "family status change." These changes occur if you lose or need coverage because:

- ◆ you get married or divorced;
- ◆ a child is born or adopted;
- ◆ you gain legal guardianship of a child;
- ◆ your spouse begins or ends employment;
- ◆ your spouse changes from part-time to full-time (or vice versa) or takes an unpaid leave of absence resulting in a significant change in your coverage;
- ◆ there is a significant change in your coverage (or your spouse's coverage)

through your spouse's (non-State of Michigan) employer plan.

If you wish to enroll a newly acquired dependent after your coverage becomes effective, or if another family status change occurs, notify the MI HR Service Center at 877-766-6447 within 31 days. **If you fail to enroll a newly acquired dependent within 31 days of acquiring that dependent, you will have an opportunity to add to your enrollment during the next Open Enrollment period.**

The coverage effective date for a newly acquired dependent will be the date he or she is acquired (by birth, adoption, or legal guardianship). The effective date for a divorce is the actual date of divorce. The effective date for marriage will be the first day of the pay period following the notification and enrollment.

Transfer to Another State Agency or Employee Bargaining Unit

If you transfer from one State agency to another, your existing enrollment will be transferred automatically to the new agency without interruption. If you transfer from one employee bargaining unit to another, your enrollment will be transferred automatically.

Open Enrollment Period

If you are not already enrolled, you may register to enroll during an announced Open Enrollment period. If you are already enrolled, you may change your existing enrollment to include eligible dependents. The effective date of your enrollment or change will be as prescribed in the Open Enrollment materials.

Cancellation of Coverage

Employees

An election may be revoked or changed at any time if the change is the result of a change in family status as defined under Internal Revenue Code Section 125. The cancellation effective date will be the last day of the last payroll period in which a premium is paid.

Your coverage under the State Preventive Dental Plan will automatically terminate (except as explained under "Continuation of

Coverage”) in the event of the following, whichever occurs first:

- ◆ when your employment terminates;
- ◆ when you are no longer in an eligible classification of employees;
- ◆ on the last day of the last payroll period for which you made a required premium contribution; or
- ◆ when the entire group contract is discontinued.

Dependents

An election may be revoked or changed at any time if the change is the result of a change in family status as defined under Internal Revenue Code Section 125. The cancellation effective date will be the last day of the last payroll period in which a dependent contribution is paid. In the event of divorce, the spouse’s cancellation effective date will be the date of divorce.

Your dependent’s coverage will automatically terminate (except as explained under “Continuation of Coverage”) in the event of the following, whichever occurs first:

- ◆ when your dependent becomes eligible for coverage as an employee;
- ◆ when your coverage terminates;
- ◆ when your dependent no longer meets the definition of an eligible dependent (**note:** ex-spouses are not eligible);
- ◆ on the last day of the last payroll period for which you made any required dependent premium contribution; or
- ◆ when the entire group and/or the group dependent contract is discontinued.

Loss of Eligibility During Treatment

If you or your eligible dependent loses eligibility while receiving dental treatment, only Covered Services received while you or your eligible dependent were covered under the Plan will be payable.

Certain procedures begun before the loss of eligibility may be covered if they are completed within a 60-day period measured from the date of loss of eligibility. In those

cases, Delta Dental evaluates those services in progress to determine what portion, if any, is payable by the State Preventive Dental Plan through Delta Dental. The balance of the total fee is your responsibility.

Continuation of Coverage

When your enrollment or your dependent’s enrollment in the State Preventive Dental Plan has been cancelled, you or your dependent may be eligible for the continuation of benefits as explained below.

Retirement

If you retire any time prior to the end of the month with a pension beginning the first of the next month, coverage as an active employee is automatically continued to the end of the month.

Death of Employee

In the event of your death, State Preventive Dental Plan coverage will automatically continue for your dependent if he or she will receive an immediate monthly pension benefit from the State of Michigan.

If your dependent is not going to receive a monthly pension benefit following your death, coverage will end 30 days following your death unless your dependent continues State Preventive Dental Plan coverage pursuant to Federal COBRA regulations. (See “COBRA Continuation”).

COBRA Continuation

You and your enrolled dependents may continue terminated State Preventive Dental Plan coverage for up to 18 months by paying the full monthly premium (including the share that is paid by the State) directly to the State if coverage is terminated because of either the employee’s suspension or reduction in the employee’s work hours (including a PT/PI “furlough”), or the employee’s termination from employment (including deferred retirement), unless the termination was for gross misconduct.

Enrolled dependents may also continue State Preventive Dental Plan coverage for up to 36 months by paying the full monthly premium (including the share that is paid by the State)

directly to the State. Dependents may continue coverage if the coverage is terminated as a result of the employee's death, divorce, or legal separation (if the legal separation caused the loss of coverage).

COBRA Notification and Application

You or a family member must notify the MI HR Service Center when a divorce occurs or when a dependent child is no longer eligible.

For all other qualifying events, your personnel office will notify you and your enrolled family members of your right to continue terminated coverage.

In any case, you (or your dependents) must apply for the continuation of terminated coverage no later than 60 days from the date of your qualifying event or the date coverage ended, whichever is later. This continuation opportunity will end if an application is not submitted or the full COBRA premium is not paid within the stated time limits.

While the Employee is on a Layoff

If you are an employee on a layoff, you may continue terminated State Preventive Dental Plan coverage for yourself and your enrolled dependents for up to 18 months by paying the full monthly premium (including the share that is paid by the State) directly to the State. You can elect to pre-pay the "employee's share" of the biweekly premium covering the first two pay periods after the layoff by having the premiums deducted from your last pay check. The State will then contribute the "State's share." This four-week "prepaid period" will not extend the 36-month time period allowed for the continuation of active coverage.

While the Employee is on a Leave of Absence

If you are an employee on a leave of absence, you may continue terminated State Preventive Dental Plan coverage for you and your dependents for up to 18 months by paying the full monthly premium (including the share that is paid by the State) directly to the State.

Enrolled employees and covered dependents are entitled to those covered dental services listed below to the extent specified in

bargaining unit contracts or the Compensation Plan and summarized in the State of Michigan Summary of Benefits.

* In the event that you seek treatment from a dentist who does not participate in any of Delta Dental's programs, you may be responsible for more than the percentage indicated above.

III. Selecting a Dentist

The State Dental Plan provides you the opportunity to see any provider you choose, regardless of whether that provider participates in Delta Dental's networks. While you can visit any provider, you will save the most money by visiting a dentist from one of two provider networks: Delta Dental PPO and Delta Dental Premier.

The difference between the two networks is that you will receive greater savings when you receive care from a Delta Dental PPO network provider. This is because providers who participate in the Delta Dental PPO network agree to accept the lowest fees as payment in full. If you choose to visit a Delta Dental Premier® provider, you will still receive the same protections and coverage as you would with a Delta Dental PPO provider, but it may cost more, as the Delta Dental Premier providers accept a different fee schedule as payment in full.

If you see a dentist who does not participate in either the Delta Dental PPO or Delta Dental Premier network, you will still be covered, but you may have to pay more. In this case, Delta Dental would pay you directly based on the dentist's submitted fee or Delta Dental's nonparticipating dentist fee, whichever is less. You would be responsible for paying the dentist whatever he or she charges, and you may have to submit your own claims.

A list of Participating Dentists will be provided upon request. Although this list is accurate as of the date printed on it, changes may occur. To verify that a Dentist is a Participating Dentist, you can use Delta Dental's online Dentist Directory at www.DeltaDentalMI.com or call 800-524-0150.

IV. Accessing Your Benefits

To utilize your dental benefits, follow these steps:

1. Please read this benefit booklet carefully so you are familiar with your benefits, payment methods, and terms of this Plan.
2. Make an appointment with your Dentist and tell him or her that you have dental

benefits with Delta Dental. If your Dentist is not familiar with This Plan or has any questions, have him or her contact Delta Dental by writing to Delta Dental, Attention: Customer Service, P.O. Box 9089, Farmington Hills, Michigan 48333-9089, or calling the toll-free number at 800-524-0150.

3. After you receive your dental treatment, you or the dental office staff will file a claim form, completing the information portion with:
 - a. The Subscriber's full name and address
 - b. The Subscriber's Member ID number
 - c. The name and date of birth of the person receiving dental care
 - d. The group's name and number

Notice of Claim Forms

Delta Dental does not require special claim forms. However, most dental offices have claim forms available. Participating Dentists will fill out and submit your dental claims for you.

Mail claims and completed information requests to:

Delta Dental
P.O. Box 9085
Farmington Hills, Michigan 48333-9085

Pre-Treatment Estimate

A Pre-Treatment Estimate is not required to receive payment, but it allows claims to be processed more efficiently and allows you to know what services may be covered before your Dentist provides them. You and your Dentist should review your Pre-Treatment Estimate Notice before treatment. Once treatment is complete, the dental office will submit a claim to Delta Dental for payment.

Written Notice of Claim and Time of Payment

Because the amount of your Benefits is not conditioned on a Pre-Treatment Estimate decision by Delta Dental, all claims under This Plan are Post-Service Claims. All claims for Benefits must be filed with Delta Dental within one year of the date the services were completed. Once a claim is filed, Delta

Dental will determine coverage within 30 days of receiving it. If there is not enough information to determine claim coverage, Delta Dental will notify you or your Dentist within 30 days. The notice will (a) describe the information needed, (b) explain why it is needed, (c) request an extension of time in which to determine coverage, and (d) inform you or your Dentist that the information must be received within 45 days or your claim will be Denied if the services were performed by a Nonparticipating Dentist, or not chargeable to the Member if the services were performed by a Participating Dentist. You will receive a copy of any notice sent to your Dentist. Once Delta Dental receives the requested information, it has 15 days to determine coverage. If you or your Dentist does not supply the requested information, Delta Dental will deny your claim. In such case, you will be responsible for all charges if the services were performed by a Nonparticipating Dentist. If the services were performed by a Participating Dentist, the services will not be chargeable to the Member. Once Delta Dental determines coverage, it will notify you within five days.

Authorized Representative

You may also appoint an authorized representative to deal with Delta Dental on your behalf with respect to any claim you file or any review of a Denied claim you wish to pursue (see the Claims Appeal Procedure section). Call Delta Dental's Customer Service department, toll-free, at 800-524-0150, or write them at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089, to request a form to designate the person you wish to appoint as your representative. Delta Dental will only recognize the person whom you have authorized on the last dated form filed with Delta Dental. Once you have appointed an authorized representative, Delta Dental will communicate directly with your representative and will not inform you of the status of your claim. You will have to get that information from your representative. If you have not designated a representative, Delta Dental will communicate directly with you.

Questions and Assistance

Questions regarding your coverage should be directed to Delta Dental's Customer Service department, toll-free, at 800-524-0150. You may also write to Delta Dental's Customer Service department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089. VII. Reconsideration and Claims Appeal Procedure

Reconsideration

If you receive notice of an Adverse Benefit Determination and you think that Delta Dental incorrectly denied all or part of your claim, you or your Dentist may contact Delta Dental's Customer Service department and ask them to reconsider the claim to make sure it was processed correctly. You may do this by calling the toll-free number, 800-524-0150, and speaking to a telephone advisor. You may also mail your inquiry to the Customer Service Department at P.O. Box 9089, Farmington Hills, Michigan, 48333-9089.

When writing, please enclose a copy of your explanation of benefits and describe the problem. Be sure to include your name, telephone number, the date, and any information you would like considered about your claim. A request for reconsideration is not required and should not be considered a formal request for review of a denied claim. Delta Dental provides this opportunity for you to describe problems or submit an explanation or additional information that might indicate your claim was improperly denied, and allow Delta Dental to correct any errors quickly and immediately.

Whether or not you have asked Delta Dental informally to reconsider its initial determination, you can request a formal review using the Formal Claims Appeal Procedure described below.

Formal Claims Appeal Procedure

If you receive notice of an Adverse Benefit Determination, you, or your Authorized Representative, should seek a review as soon as possible, but **you must file your request for review within 180 days** of the date that you received that Adverse Benefit Determination.

To request a formal review of your claim, send your request in writing to:

**Dental Director
Delta Dental
P.O. Box 30416
Lansing, Michigan 48909-7916**

Please include your name and address, the Subscriber's Member ID, the reason why you believe your claim was wrongly denied, and any other information you believe supports your claim. You also have the right to review the contract between Delta Dental and your employer or organization and any documents related to it. If you would like a record of your request and proof that Delta Dental received it, mail your request certified mail, return receipt requested.

The Dental Director or any person reviewing your claim will not be the same as, nor subordinate to, the person(s) who initially decided your claim. The reviewer will grant no deference to the prior decision about your claim. The reviewer will assess the information, including any additional information that you have provided, as if he or she were deciding the claim for the first time. The reviewer's decision will take into account all comments, documents, records and other information relating to your claim even if the information was not available when your claim was initially decided.

If the decision is based, in whole or in part, on a dental or medical judgment (including determinations with respect to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate), the reviewer will consult a dental health care professional with appropriate training and experience, if necessary. The dental health care professional will not be the same individual or that person's subordinate consulted during the initial determination.

The reviewer will make a determination within 60 days of receipt of your request. If your claim is denied on review (in whole or in part), you will be notified in writing. The notice of an Adverse Benefit Determination during the Formal Claims Appeal Procedure will meet the requirements described below.

Manner and Content of Notice

Your notice of an Adverse Benefit Determination will inform you of the specific reasons(s) for the denial, the pertinent plan provisions(s) on which the denial is based, the applicable review procedures for dental claims, including time limits and that, upon request, you are entitled to access all documents, records and other information relevant to your claim free of charge. This notice will also contain a description of any additional materials necessary to complete your claim, an explanation of why such materials are necessary, and a statement that you have a right to bring a civil action in court if you receive an Adverse Benefit Determination after your claim has been completely reviewed according to this Formal Claims Appeal Procedure. The notice will also reference any internal rule, guideline, protocol, or similar document or criteria relied on in making the Adverse Benefit Determination, and will include a statement that a copy of such rule, guideline or protocol may be obtained upon request at no charge. If the Adverse Benefit Determination is based on a matter of medical judgment or medical necessity, the notice will also contain an explanation of the scientific or clinical judgment on which the determination was based, or a statement that a copy of the basis for the scientific or clinical judgment can be obtained upon request at no charge.

The Adverse Benefit Determination notice will inform you of your right to a managerial-level conference to complete the formal grievance procedure. If your claim is denied in whole or in part after you have completed this required Claims Appeal Procedure, or Delta Dental fails to comply with any of the deadlines contained therein, you may appeal that decision through procedures provided in the Civil Service Commission Regulation 5.18, which can be accessed from the Rules & Regulations section of the Civil Service Commission website at www.mi.gov/mdcs.

VIII. General Conditions

Coordination of Benefits (Dual Coverage)

This coordination of benefits provision is designed to provide maximum coverage, but not to exceed 100 percent of the total fee for a given treatment plan.

Please note, for married State of Michigan employees who are both enrolled in any of the State Dental Plans, there is no coordination of benefits. Coordination of benefits is available between the State Dental Plans and any other group dental plan.

The primary dental program (as specified below) will pay all of the benefits it would owe as if no other coverage was involved. The secondary program will then pay all of the benefits it would owe as if no other coverage was involved, up to 100 percent of the subscriber's liability under that plan. In no case is any program required to pay more than it would have paid without any coordination of benefits.

The program covering the patient as an "employee" is primary over the program covering the patient as a "dependent."

If a dependent child is covered by both parents, the plan covering the parent whose birthday occurs earliest in the calendar year is primary over the other parent's plan. This birthday rule does not apply when the parents are divorced or legally separated, unless the specific terms of the court decree state that the parents will share custody without stating that one parent is responsible for the dental care expenses of the child. In cases where a court decree designates financial responsibility to one parent, the order of benefits determination is outlined below.

In the case of an enrolled dependent child of divorced or legally separated parents, claims will be paid in the following order of priority:

1. The plan covering the child as a dependent of the parent who, under the terms of a divorce decree, has the responsibility for the dental care of the child. In no event will a child be eligible for

- enrollment unless he or she meets the criteria in the Eligibility section.
2. The plan covering the child as a dependent of the custodial parent.
 3. The plan covering the child as a dependent of the custodial parent's spouse.
 4. The plan covering the child as a dependent of the non-custodial parent.

If you are enrolled as a Subscriber under more than one plan, the plan that has covered you the longest is primary over the other. However, a program that covers the Subscriber as a laid-off or retired employee (or as the dependent of a laid-off or retired employee) will have a lower priority than a plan that does not.

Contact Delta Dental for information on alternative rules that may apply to dental plans issued outside of Michigan.

Assignment

Services and Benefits are for the personal benefit of Members and cannot be transferred or assigned, other than to pay Participating Dentists directly.

Subrogation and Right of Reimbursement

To the extent that This Plan provides or pays Benefits for Covered Services, Delta Dental is subrogated to any right you and/or your Dependent has to recover from another party or entity, including but not limited to, that party's insurer, or any other insurer that you or your Dependent may have, which would have been the primary payer if not for the payments made by Delta Dental. This includes but is not limited to, automobile, home, and other liability insurers, as well as any other group health plans.

To the extent that Delta Dental has a subrogation right, you and/or your Dependent must:

1. Provide Delta Dental with any information necessary to identify any other person, entity or plan that may be obligated to provide payments or benefits for the Covered Services that were paid for by Delta Dental,

2. Cooperate fully in Delta Dental's exercise of its right to subrogation and reimbursement,
3. Not do anything to prejudice those rights (such as settling a claim against another party without notifying Delta Dental, or not including Delta Dental as a co-payee of any settlement amount),
4. Sign any document that Delta Dental determines is relevant to protect Delta Dental's subrogation and reimbursement rights, and
5. Provide relevant information when requested.

The term "information" includes any documents, insurance policies, and police or other investigative reports, as well as any other facts that may reasonably be requested to help Delta Dental enforce its rights. Failure by you or your Dependent to cooperate with Delta Dental may result, at the discretion of Delta Dental, in a reduction of future benefit payments available to you or your Dependent under This Plan of an amount up to the aggregate amount paid by Delta Dental that was subject to Delta Dental's equitable lien, but for which Delta Dental was not reimbursed.

Obtaining and Releasing Information

While you and/or your Dependent(s) are enrolled in This Plan, you and/or your Dependent(s) agree to provide Delta Dental with any information it needs to process claims and administer Benefits for you and/or your Dependent(s). This includes allowing Delta Dental access to your dental records.

Dentist-Patient Relationship

Members are free to choose any Dentist. Each Dentist is solely responsible for the treatment and/or dental advice provided to the Member, and Delta Dental does not have any liability resulting therefrom.

Loss of Eligibility During Treatment

If a Member loses eligibility while receiving dental treatment, only Covered Services received while that person was covered under This Plan will be payable.

Certain services begun before the loss of eligibility may be covered if they are completed within 60 days from the date of termination. In those cases, Delta Dental evaluates those services in progress to determine what portion may be paid by Delta Dental. The difference between Delta Dental's payment and the total fee for those services is your responsibility.

Late Claims Submission

Delta Dental will make no payment for services or supplies if a claim for such has not been received by Delta Dental within one year following the date the services or supplies were completed. In the event that a Participating Provider submits a claim more than one year from the date of service, Delta Dental will deny that portion of the claims that Delta Dental would have paid if the claim had been timely submitted, and such denied portion of the claim will not be chargeable to the Member. However, you will remain responsible for any applicable Deductible and/or Copayment. In the event that a Non-participating Provider submits a claim more than one year from the date of service, Delta Dental will Deny the claim and you may be responsible for the full amount.

Change of Certificate or Contract

No changes to this Certificate, your Summary of Dental Plan Benefits, or the underlying contract are valid unless Delta Dental approves them in writing.

Actions

You cannot bring an action on a legal claim arising out of or related to this Certificate unless you have provided at least 60 days' written to Delta Dental, unless prohibited by applicable state law. In addition, you cannot bring an action more than three years after the legal claim first arose or after expiration of the applicable statute of limitations, whichever is shorter. Any person seeking to do so will be deemed to have waived his or her right to bring suit on such legal claim. Except as set forth above, this provision does not preclude you from seeking a judicial decision or pursuing other available legal remedies.

Change of Status

You must notify Delta Dental, through the MI HR Service Center at (877) 766-6447, of any event that changes the status of an eligible Dependent. Events that can affect the status of an eligible Dependent include, but are not limited to, marriage, birth, death, divorce, and entrance into military service.

Right of Recovery Due to Fraud

If Delta Dental pays for services that were sought or received under fraudulent, false, or misleading pretenses or circumstances, pays a claim that contains false or misrepresented information, or pays a claim that is determined to be fraudulent due to your acts or acts of your eligible Dependents, it may recover that payment from you or your eligible Dependents. Delta Dental may recover any payment determined to be based on false, fraudulent, misleading, or misrepresented information by deducting that amount from any payments properly due to you or your eligible Dependents. Delta Dental will provide an explanation of the payment recovery at the time the deduction is made.

Governing Law

This Certificate and the underlying group Contract will be governed by and interpreted under the laws of the state of Michigan.

Legally Mandated Benefits

If any applicable law requires broader coverage or more favorable treatment for you or your eligible Dependents than is provided by this Certificate, that law shall control over the language of this Certificate.

Pre-Treatment Estimate - An estimate of the costs of Covered Services to be provided. A Dentist may submit his or her treatment plan to Delta Dental before providing services. Delta Dental reviews the treatment plan and advises you and your Dentist of what services are covered by your Plan and what Delta Dental's payments may be. Delta Dental's payment for predetermined services depends on continued eligibility and the annual or lifetime Maximum Payments available under your Plan. You are not required to seek a Pre-Treatment Estimate. You will receive the same benefits under your Plan whether or not a Pre-treatment Estimate is requested. Pre-Treatment Estimate is merely a convenience so that you will know before the dental service is provided how much, if any, of the cost of that service is not covered under your Plan. Since you may be responsible for any cost not covered under your Plan, this is likely to be useful information for you when deciding whether to incur those costs.

Any person intending to deceive an insurer, who knowingly submits an application or files a claim containing a false or misleading statement is guilty of insurance fraud.

Insurance fraud significantly increases the cost of health care. If you are aware of any false information submitted to Delta Dental, please call our toll-free hotline. We only accept anti-fraud calls at this number.
